1. INTRODUCTION

A. Overview

The Detroit Land Bank Authority (DLBA) requests quotes from qualified firms to provide the goods/services outlined in this bid. Please carefully read all parts of this bid, including:

- Bid Coversheet (or Bid Overview page, if viewing online)
- RFQ Template – Part 1 of 2: Standard RFQ Clauses
- RFQ Template – Part 2 of 2: RFQ Specific Clauses
- All required documents listed on the Bid Overview page in BidSync

The work contemplated is to be performed in a professional manner. The Respondent shall be financially solvent and each of its members (if a joint venture), its employees, agents or sub-consultants of any tier shall be competent to perform the services required under this RFQ document.

Nothing in this RFQ shall be construed to create any legal obligation on the part of the DLBA or any respondents. The DLBA reserves the right, in its sole discretion, to amend, suspend, terminate, or reissue this RFQ in whole or in part, at any stage. In no event shall the DLBA be liable to respondents for any cost or damages incurred in connection with the RFQ process, including but not limited to, any and all costs of preparing a response to this RFQ or any other costs incurred in reliance on this RFQ. No respondent shall be entitled to repayment from the DLBA for any costs, expenses or fees related to this RFQ. All supporting documentation submitted in response to this RFQ will become the property of the DLBA. Respondents may also withdraw their interest in the RFQ, in writing, at any point in time as more information becomes known.

The DLBA follows the Detroit Land Bank Authority Policies and Procedures for Procurement process.

For further information regarding this RFQ, please contact Tamara Moorner at:

Detroit Land Bank Authority

B. Time of Completion

Any contract awarded pursuant to this RFQ solicitation shall provide services within a mutually agreed upon expedited timeframe.

C. Term of Contract

If a contract is awarded as a result of this RFQ the term of the contract and renewal options are indicated on the bid cover page.

2. PROJECT MANAGEMENT

The Contractor will carry out this project under the direction and control of the DLBA.

The Contractor may be one of several Contractors that will provide services to the DLBA in this area and the number of persons and/or entities each Contractor will be requested to serve will depend on the business needs of the DLBA and the ability of the Contractor to manage the work requested. This may be an optional use contract; no minimum number of persons and/or entities are guaranteed to be assigned.

3. BID PRESENTATION

DLBA will request that Respondents that meet the criteria specified in this RFQ meet with a DLBA committee to demonstrate their services and address questions upon request.

4. SUBMITTAL REQUIREMENTS

RFQ responses must be submitted via BidSync by the deadline indicated on the bid Cover Page. **Responses not submitted by the due date will not be considered.** Respondents are advised to adhere to the Submittal Requirements. Failure to comply with the instructions of this RFQ will be cause for rejection of submittals.

The DLBA reserves the right to seek additional information to clarify responses to this RFQ. Each response must include the following:

A. Letter of Interest

Please submit a Cover Letter of Interest signed by a duly authorized officer or representative of the Respondent, not to exceed two pages in length. The Letter of Interest must also include the following information:

1. The principal place of business and the contact person, title, telephone/fax numbers and email address.
2. A brief summary of the qualifications of the Respondent and team.
3. Description of organization (i.e. Corporation, Limited Liability Company, or Joint Venture).
4. The names and business addresses of all Principals of the Respondent. For purposes of this RFQ “Principals” shall mean persons possessing an ownership interest in the Respondent.

- If the Respondent is a partially owned or fully-owned subsidiary of another organization, identify the parent organization and describe the nature and extent of the parent organization's approval rights, if any, over the activities of the Respondent.
 - If the Respondent is a partially owned or fully-owned subsidiary of another organization, identify the parent organization and describe the nature and extent of the parent organization's approval rights, if any, over the activities of the Respondent.
5. The Certification attached hereto at the end of this RFQ and incorporated herein by reference must be signed by Respondent and attached to the Letter of Interest.

B. Threshold Requirements

These documents must be submitted and acceptable before the DLBA and its RFQ Review Committee will review the Experience and Capacity Bid:

1. Certificate of Good Standing (Corporation) or Certificate of Existence (Limited Liability Company) issued by the Michigan Secretary of State (If Respondent is a joint venture, a Certificate of Good Standing or Certificate of Existence, as applicable, must be submitted for each entity comprising the joint venture.)
2. Evidence of License and Insurance: Evidence that insurance is in place or can be obtained if selected. Appropriate licenses to be provided.
3. Evidence of Financial Stability: All Respondents shall include their most recent financial statements with the Bid response. This information will assist the DLBA in determining the Respondent's financial condition. The DLBA is seeking this information to ensure that the respondents have the financial stability and wherewithal to assure good faith performance.
4. Conflict of Interest Statement & Supporting Documentation: Respondent shall disclose any professional or personal financial interests that may be a conflict of interest in representing the DLBA. In addition, all Respondents shall further disclose arrangement to derive additional compensation from various investment and reinvestment products, including financial contracts.

C. Main Bid

Please provide the following information:

1. Describe relevant experience
2. Statement of Qualifications
3. A competitive pricing Bid (Pricing Bid template in RFP Template Part II document).

5. REJECTION OF BIDS

The Detroit Land Bank Authority expressly reserves the right to reject any, and all Bids, waive any non-conformity, re-advertise for Bids to withhold the award for any reason the DLBA determines and/or to take any other appropriate action that is in the best interest of the DLBA.

6. SELECTION PROCESS

The Selection Committee comprised of DLBA staff and others deemed appropriate by the DLBA Board will review qualifications in accordance with the evaluation criteria set forth herein and in accordance with DLBA policies. Bids that are submitted timely and comply with the mandatory requirements of the RFQ will be evaluated in accordance with the terms of the RFQ. Any contract resulting from this RFQ will not necessarily be awarded to the vendor with the lowest price. Instead, contract(s) shall be awarded to vendor(s) whose bid is the most responsible, in accordance with criteria set forth in the RFQ. This RFQ may result in a pool of qualified vendors selected based on pricing and other criteria as defined within this RFQ.

The Detroit Land Bank Authority is an equal opportunity employer. We will not discriminate against employees or applicants for employment on any legally-recognized basis [“protected class”] including, but not limited to: disability; religion; race; color; national origin; age; sex; gender identity or expression; sexual orientation; age; pregnancy; childbirth or related medical condition; height; weight; marital status; genetic information; veteran status, uniform service member status or any other protected class under federal, state, or local law. This policy applies to all terms and conditions of employment including, but not limited to, recruitment, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training.

7. QUESTIONS DEADLINE

Questions regarding this RFQ should be submitted via BidSync. The last date to submit questions regarding the RFQ is noted on the BidSync Cover Page.

8. ETHICS HOTLINE REPORTING

The DLBA Board of Directors has hired Lighthouse Services to provide an ethics and compliance Hotline for all DLBA employees, vendors, customers and the general public, to ensure that all reports can be submitted anonymously and without fear of retribution. All reports will be delivered only to the Board, and all efforts will be made to protect the identity of the individual making the report when conducting the investigation. Reports may cover, but are not limited to: ethical violations, wrongful discharge, unsafe working conditions, internal controls, quality of service, vandalism and sabotage, sexual harassment, theft, discrimination, conduct violations, alcohol and substance abuse, threats, fraud, bribery and kickbacks, conflict of interest, improper conduct, theft and embezzlement, violation of company policy, violation of the law, misuse of company

property, or falsification of contracts, reports or records. Lighthouse Services toll free number and other methods of reporting are available 24 hours a day, 7 days a week.

1. GOODS OR SERVICES REQUIREMENTS

A. Scope of Work

The Detroit Land Bank Authority (“DLBA”) seeks bids from Property Maintenance and Preservation Professionals Suppliers/Contractors interested in providing services for the DLBA. The following scope of service is requested under this RFQ. The types of services to be provided may include but are not limited to the following:

All work must include before and after photographs to support the documentation provided to the DLBA. All photos should adhere to the DLBA standards indicated in this document.

The DLBA reserves the right to require awarded contractors to upload photographs and/or information on completed work in the DLBA’s proprietary system or transmitted through a link provided by the DLBA. The types of services to be provided may include but are not limited to the following on an as needed basis:

1. **Board Up - Standard Opening (Plywood) (i.e., window)** – Board up property with plywood material primarily related to window opening(s).
2. **Board Up - Entry Door (Plywood)** – Board up entry door with plywood material primarily related to door opening(s).
3. **Build Entry Door (Plywood)** – Build entry door made of plywood material to allow access to the property including a hasp/eye bolt with a heavy duty “protected neck” combination lock, coded as requested by the DLBA.
4. **Board Up - Standard Opening (SecureView)** – Board up property with polycarbonate material primarily related to window opening(s) to the SecureView corporation installation standards.
5. **Board Up - Entry Door (SecureView)** – Build entry door made of polycarbonate material to allow access to the property including padlock(s) to the SecureView corporation installation standards.

6. **Board Removal** - removal of door boarding to create access area.

Detroit Land Bank Authority RFQ Template – Part 2 of 2: Bid Specific Clauses

7. **Debris Removal & Proper Disposal** – Removal and proper disposal of non-essential material from both the interior and/or exterior of the home. Such material includes but is not limited to the following items: household material, hazardous material, construction material, garbage, trees, outdoor material.
8. **Debris Relocation Onsite** - Relocation of non-essential material from the interior and/or exterior of the home to another site within the structure or on or near the property (such as to the berm for pick-up) as specified by the DLBA. Such material includes but is not limited to the following items: household material, hazardous material, construction material, garbage, trees, outdoor material.
9. **Emergency Coordinated Board-Up Service** - Board-up Service coordinated with the eviction process. Vendor must be able to cut boards on-site during the service. This service is often scheduled with minimal notice.
10. **Forced Entry** – Entry to a DLBA-owned structure, with a secured or enforced door, that cannot be accessed through typical methods associated with board removal.
11. **General Maintenance/Hourly Rate**- Completion of any other requested service to be billed at an hourly rate up to 6 hours. Anything requiring more time or more material than the general maintenance/hourly rate would need to be bid approved.
12. **Graffiti Removal** – Removal of graffiti from the interior and/or exterior of a property. Interior graffiti can be removed by paint and by a power wash at the exterior (paint can be used on the exterior at the discretion of the DLBA).
13. **Install Hasp/Eye Bolt & Padlock** – Installation of a Hasp/Eye Bolt with a heavy duty “protected neck” combination lock, coded as requested by the DLBA.
14. **Keyed Lock Removal**- Service needed during emergency board-up or after eviction proceedings. Price per door.
15. **Pest Removal** – Removal of pests such as rodents, raccoons, possum, or insects by use of traps or approved pesticides. Service may include the requirement to check traps and dispose of dead animals. Price per visit.
16. **Posting** – Attach a sign, notice, and/or documentation (to be provided by the DLBA) to a DLBA-owned structure. Trip to the property is made solely

Detroit Land Bank Authority RFQ Template – Part 2 of 2: Bid Specific Clauses

to post the sign, notice, and/or documentation, and is not made in conjunction with an inspection or other work.

17. **Property Inspections-** *To be considered as a primary contractor to provide property inspection services, contractors are required to submit to the Property Inspection Vendor RFQ. Property Inspection Requests may include:*

Assessment must include all structures located on the property parcel (e.g., including any accessory structures, such as garages).

All inspections must include photographs to support the documentation provided to the DLBA. Please refer to property inspection types below. Sample inspection reports with typical information requested can be found after the listing of all services.

Upon request by the DLBA, property inspection will include posting a sign, notice, and/or documentation (to be provided by the DLBA) on the structure.

(a.) Exterior Only Property Inspection- Exterior inspection only. Not requiring entry into any structure, or another Service has been requested by DLBA, but service was unable to be completed (due to occupancy, for example). Assessment of the property based on an exterior inspection, including but not limited to: assessment of the property's occupancy, overall physical condition, condition of the roof, foundation, structure, porch, windows, doors, yard, and exterior brick/siding, an overall condition rating (good/fair/poor) for the property and surrounding properties, information related to total exterior debris, and notes related to specific issues apparent from the exterior of the structure (e.g., major fire damage). Photographs of exterior electrical meter box, or the location of where the box should be present are requested. When a suspected illegal electrical connection is present, the use of a non-contact voltage tester for confirmation of live wires is requested. Assessment must include all structures located on the property parcel (e.g., including any accessory structures, such as garages).

(b.) Property Inspection - Interior & Exterior – Assessment of the interior and exterior of the property, including but not limited to: assessment of the property's occupancy, overall interior and exterior condition, condition of the roof, foundation, internal support structure, porch, windows, doors, yard, and brick/siding, impact of any water or fire damage, discoloration of walls (suspected mold), information on the intactness of mechanical and other systems, number of bedrooms &

bathrooms, an overall condition rating (good/fair/poor) for the property and surrounding properties, and notes related to specific issues at the property. Photographs of exterior electrical meter box, or the location of where the box should be present are requested. When a suspected illegal electrical connection is present, the use of a non-contact voltage tester for confirmation of live wires is requested. Assessment must include all structures located on the property parcel (e.g., including any accessory structures, such as garages) as well as all units within the structure (e.g., both units in a two-family flat, aka up-down duplex).

(c.) Interior/Exterior Property Inspections with scope of work for property preservation maintenance/Auction Clean-out - A standard interior/exterior property inspection but with the addition of an estimate on auction/property preservation maintenance needed. This includes windows and doors to be boarded or secured, debris removal, overgrowth removal, basement pump-out, etc.

(d.) Basic Abbreviated Rehab Scope - Add-on service to be completed with any of the above listed inspections. A basic abbreviated scope of easily evident work needed for the property rehab. Not intended to replace or eliminate the need for a buyer's property inspection, nor provide any official scope of prescribed work or rehab costs.

(e.) Multi-Unit Inspection - Add on service for any multi-unit property with over two (2) units. Multi-unit add-on is per additional unit.

18. **Pump out Basement (Residential)** – Pump out property up to 9 ft.
19. **Roof Tarp – Standard** – Standard roof tarp size is defined by 500 sq. ft. A standard roof tarp is to be used for multiple holes or weak spots when possible. Additional roof tarp to be used once holes/weak spots exceed 500 sq. ft.
20. **Tire Removal** - Removal and proper disposal of tires. Disposal receipts may be requested to capture work related to tire removal. Disposal receipts may be needed to be captured for work related to tire removal.
21. **Vehicle Removal** – Removal of vehicles listed but not limited to a car, truck, boat, RV, other.
22. **For Sale Lawn Sign - Installation & Removal** - Installing and removing, at a later date a wooden/metal real estate sign lawn post with a DLBA “For Sale” sign (provided by the DLBA) attached to a post.

Detroit Land Bank Authority RFQ Template – Part 2 of 2: Bid Specific Clauses

23. **Dead Animal Removal/Disposal** – Removal and proper disposal of dead animal remains (e.g., cat, dog, squirrels, raccoons, mice, other).
24. **Janitorial Services** - Applicable service fee provided for broom sweeping debris and loose paint chips from the interior of structures.
25. **Bio-Hazard Janitorial Services** – Applicable service fee in the instance of cleaning up an environmental hazard where additional protection is required.
26. **Window Securement**- Install fastener(s) in any existing/functioning window to secure property and prevent window from being opened.
27. **Detailed Mowing (Weekly/Bi-Weekly)** – Includes edging, string-trimmings, blowing and/or vacuuming.
 - (a.) Mowing
 - Schedule of mowing is determined by the type of turn being serviced and adjusted to coincide with seasonal growth rates to maintain a consistent, healthy appearance.
 - Mower blades will be kept sharp at all times to prevent blade tearing.
 - Turf growth regulators may be used to assist in maintaining a consistent and healthy appearance of turf.
 - Various mowing patters will be employed to ensure the event distribution of clippings and to prevent ruts in the turf caused by mowers.
 - Grass clippings will be left on the lawn to restore nutrients, unless excess clippings create an unsightly appearance.
 - Turf will be cut to a desirable height with no more than 1/3 of the leaf blade removed during each mowing to enhance health and vigor.
 - (b.) Edging and Trimming
 - Awarded contractor will neatly edge and trim around all plant beds, curbs, streets, trees, buildings, etc. to maintain shape and configuration.
 - Edging equipment will be equipped with manufacturer’s guards to deflect hazardous debris.
 - All walks will be blown after edging to maintain a clean, well-groomed appearance.
 - All grass runners will be removed after edging to keep mulch areas free of weeds and encroaching grass.
 - “Hard edging” and clean up shall be performed in conjunction with turf mowing.

Detroit Land Bank Authority RFQ Template – Part 2 of 2: Bid Specific Clauses

- “Soft edging” and clean up of bed areas shall be performed in conjunction with turf mowing.
- String trimming shall be performed as needed.
- Areas mutually agreed to be inaccessible to mowing machinery will be maintained with string trimmers or chemical means, as environmental conditions permit.

(c.) Debris Removal

- Prior to mowing, each area will be patrolled for trash and other debris. Debris will be removed to reduce the risk of object propulsion and scattering, excluding areas concentrated with trash (e.g., dumpster zones, dock areas, and construction sites).
- Removal of all landscape debris is the sole responsibility of the awarded contractor, at no additional expense to the DLBA.

28. Basic Initial Cut –

- Debris removal prior to mowing, excluding areas concentrated with debris.
- Removal of landscape debris.
- Turf cut to desirable and equal height.

29. Detailing/Maintenance – Shrub pruning, tree pruning, edging, weeding, and general clean up of entire property.

Timeframes

All maintenance and repairs within the allowable services must be completed within the permitted timeframes. When bids for work have been approved by the DLBA, the awarded contractor has ten (10) calendar days from the time of the approval to complete the work, unless otherwise agreed upon. The awarded contractor has two (2) business calendar days from the work completion date to report the work completion to the DLBA via the DLBA's work order tracking system.

Completed Work documentation

All work completed must have before and after, date stamped photos and any supporting documentation made available to the DLBA upon request:

The DLBA requires awarded contractors to provide work completion results, the following information must be provided:

- Dates of work commencement and completion.
- Scope of work completed with line-item description of services.
- Complete view of before and after photos in color, date stamped, and labeled (if necessary).
- The DLBA reserves the right to require awarded contractor to upload photographs and/or information on completed work in the DLBA's proprietary system or transmitted through a link provided by the DLBA.
- Invoicing of all approved and performed work is required within 30 calendar days. Such invoice will include reasonable detail of services provided. Each work order should be billed on a unique invoice. Each invoice should reference the DLBA assigned work order, in addition to the awarded contractor assigned invoice number. Awarded Contractor agrees to provide upon request such supporting or backup documents as may be reasonably requested by DLBA with respect to each invoice for the Services.

In addition to committing to performance expectations, the DLBA expects the following from all Service/Property Preservation Contractors:

- Provide quality procedure and processes.
- Perform services in a fiscally responsible manner.
- Deliver timely and accurate services.
- Provide high standards of business ethics and professional courtesy.
- Comply with all applicable laws and codes.

Service Contractors are required to carry a DLBA hand-out at all times, when servicing a DLBA owned property.

This property preservation reference guide provides contractor/service providers with information and expectations on requested services.
