

# CALLING ALL HOMEOWNERS, INVESTORS & PROPERTY MANAGERS

Clean Outs & Property Securing Services  
Commercial & Residential  
FOR DETROIT LAND BANK PROPERTIES

Located in the City of Detroit, Emerging Industries Training Institute (EITI) is a licensed, non-profit (501c3) vocational training school. We provide employer-led training to residents who are seeking upward career mobility opportunities. We use clean outs and property securing as training practicums for students enrolled in our Pre-Apprentice Carpentry program. All proceeds earned are used toward training efforts designed to positively affect change in the City of Detroit.
